ON THE COVER

U. S. POST OFFICE, DUBLIN, N. H.

Dedicated November 24, 1968

This picture of the new Post Office was taken in January 1969, prior to the planned planting in the area between the Post Office parking space and Yankee, Inc.

By the middle of the 1960s the rapid expansion of Yankee, Inc., and the increasing volume of mail handled by the Post Office in the old building, owned by Yankee and conveniently attached to the Yankee offices, made relocation of the Post Office, in larger quarters, desirable for both parties. In 1967 a new Post Office building was proposed, to be built by Yankee and leased to the Government, located on land which Yankee owned next to the Fire Station. Agreement was reached in the spring of 1968. It is therefore the first time the Dublin Office has been situated in a building specifically designed for its use.

The location of the new building on the site was arranged in conjunction with the Dublin Community Foundation, which had engaged Mr. Roy F. Cowell, City Planner for the City of Manchester, N. H., to draw up a proposal for a long range plan for the center of Dublin. Its placement, therefore, has possible further development of the general area in mind.

Mr. Alexander R. James of Dublin was selected as the architect and Payne Construction Co. of Keene as the builder.

Built during the summer of 1968, it was ready for occupancy in November. About two hundred people were present at the dedication ceremonies held on November 24, 1968, followed by an Open House. The program included an historical pageant on the history of the Post Office in Dublin, acted by children of the Town, presentation of the flag for the new Post Office flag pole by representatives of Scout troops of the Town, and speeches by Hon. Martin J. Smith of the Post Office Department, and Hon. James Cleveland, United State Representative from the 2nd Congregational District.

REPORT OF POLICE DEPARTMENT

From August 11, 1968 to January 1, 1969

Our regular force now consists of the Chief (Tel. 563-6091), Officer Arnold Pinney (Tel. 603-4051), and Officer Gordon Calder (Tel. 563-7431). We have no special officers.

An attempt is made to have one or more officers on hand on a 'round the clock basis. Should an emergency arise requiring attention and no one answers after calling the above listed numbers in the order given, then one should call Keene 352-1100 and request assistance which will be provided through the Southwestern New Hampshire Mutual Aid System.

Mr. Elliot Allison continues to safeguard our school children morning and afternoon at the crossing; we all owe him thanks for his work as School Officer. The department would also like to thank the Firemen who helped us during New Years Eve.

We would also like to acknowledge the assistance from the Cheshire County Sheriff's Office and the New Hampshire Department of Safety, Division of State Police, both of whom are always ready to help us when called. We are also grateful for the support given us by the Selectmen of Dublin, and by other local and non-resident friends; we thank you.

REPORT OF THE DUBLIN FIRE DEPARTMENT

The Dublin Fire Department answered 31 calls during 1968: 3 Mutual Aid calls, 6 brush fires, 4 car fires, 4 chimney fires, 6 dump fires, 2 calls for smoke in building (furnace trouble), 4 building fires and 2 calls for cats stranded in trees. Firemen also stood by at the station during 4 electrical power failures in case of fire. Also, 20 oil burner permits were issued.

The fire trucks, as well as the firemen, have had a rough schedule during the year. There were nearly twice as many calls as in any previous year. The 4 building fires, which came after winter had set in, were especially hard on the men and equipment. We have received help through Mutual Aid seven times during the year. Some of this help was at the fires and some for standing by at our station while our trucks were at the fire. The departments dispatched to our aid were: Harrisville, Jaffrey, Peterborough, Marlborough and Meadowood. Our thanks to them all.

The firemen were engaged in regular training sessions during the spring and fall. Many other training sessions were held during the winter and summer when assembly of the men is more difficult due to weather and other activities. This training has paid off for us this year, and we are planning more for 1969.

The fire hole appropriation was spent this year to help out with Glen Scribner's expenses in the renovation of the pond below the village. The pond developed a leak, which left a large area of the town without any water supply in case of fire. We are now in hopes that this water supply will continue to insure us an adequate

supply of water should we need it in years to come. Next year, the plans for more dry hydrants and maintenance of water holes throughout the town should continue as in the past.

The Dublin Fire Company has taken special interest and pride in our forestry tanker. The combined efforts of the men in rebuilding this truck have made it most valuable to us at many of our fires. The Company purchased several pieces of equipment for the truck this year, such as a two-way radio and revolving emergency light.

Due to the great success of the annual dance and appeal, the Fire Company was able to purchase a 70 G.P.M. Homelite portable pump and suction hose, which weighs less than 25 lbs. This pump can be carried into water sources not accessible by trucks or larger portable pumps. Another contribution by the company was a pair of portable flood lights to be used at fires and other emergency situations where lighting is a must.

The Fire Company is also responsible for the Christmas decorations which gave our station a bright look for the holiday season.

The department still has many small needs. We are in great hopes that these needs can be dealt with at the next town meeting. The small equipment needed would certainly increase the effectiveness and efficiency of our department.

I would like to thank the firemen who show up so faithfully at the meetings, training sessions and fires, as well as the men who come and give us their best at fires. I would also like to thank the people of the Town of Dublin, and the various officers of other departments in our town for their interest and support of the Dublin Fire Company and Dublin Fire Department.

Respectfully submitted,

Michael A. Worcester

Dublin Fire Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increases in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young lighting matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire before you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

REPORT OF HIGHWAY AGENT

Summer Highway Maintenance

All dirt roads scraped and maintained, ditches and turnouts cleaned, some widened, leaves and rubbish removed. Stones removed on Old Marlboro Road, old culverts dug up and replaced. Near ledges installed new culverts. Gravelled all roads where needed.

Brush was cut on many roads; Windmill Hill, Lake, Upper Jaffrey, Goldmine, Monument, Cobb Meadow, Page and Snow Hill.

Gravelled Page Road, Valley Road, Windmill Hill, Cobb Meadow, Pierce Road, Dooe Road, Gerry Road and Greene Road.,

All tar roads were tar patched, some several times. Tarred East Harrisville Road, Valley Road, Goldmine Road to Brunells, Parsons Road, Old Common Road, Snow Hill, Pierce Road, Old County Road, off Rte. 137 to Windy Row, Page Road and Bonds Corner Road to McQuillens.

Winter Highway Maintenance

The appropriation for winter covered plowing, salting, sanding, widening intersections after plowing, plowing sidewalks and around village. Also includes installation and removal of snow fences, removal of limbs and trees caused by ice storms, general care of equipment, gas, oil and necessities. Again this winter we have had unusually early snow storms in November which were not anticipated, hence causing longer working hours and additional expenditures, thereby making an overdraft unavoidable.

Town Road Aid

The road which was started last year was extended this year from near the Dublin Academy faculty houses west toward Page Road. Trees were cut, brush burned or carted away to dump, logs and wood piled. Stumps were removed, road widened and culverts installed. Road was gravelled and then the road was tarred from Route 137 to end of project to date. By the end of next year this should be completed to Junction of Page Road.

Town Dump

The dump has been burned over often during summer and fall, rubbish pushed back and covered with sand several times. The upper dump has also been burned over and pushed back. Due to careless dumping of rubbish, etc., it has been impossible to keep the dump in as good shape as we would like, and have found it does no good to ask users to be neater.

Bridge Construction

The bridge on Camp Monadnock Road was completely removed, new steel beams installed. Replaced old bridge planks and stringers. The bridge on former Jackson Road was checked and necessary work done. Have culverts on hand or on order for spring delivery, one for Parsons Road at pond, other for Monument Road to replace smaller culvert there.

New Construction

On the former Learned Road, cut trees, removed some stones, gravelled road, cleaned culvert and turnouts. Old Troy Road, widened in places, cut trees, made turnouts, cleaned ditches and other turnouts, gravelled where needed. At the Fire Station dug up culvert to locate leak; covered and gravelled over culvert after carting away old dirt and stones.

Signs

Installed new Blind Drive signs on Bonds Corner Road and Golf Club Road. Replaced signs on Lake and Golf Club Roads and straightened several others.

Note:

Might add that the beaver, though active, have not been as bad this year as in the past. They did fill the culverts on Monument Road, Korpi Road and at Golf Club. Had filled part of one side of the arch, which we cleared before any damage was done. Mr. Warren has been very cooperative in taking care of this problem for us and we thank him.

Our thanks to the townspeople and highway help for assistance this year.

Respectfully submitted,

E. Bertell Pierce

Highway Agent

REPORT OF SUPERINTENDENT OF THE CEMETERY

There were eleven burials in the Dublin Cemetery during the year ending December 31, 1968, two being cremations.

The sale of Cemetery lots resulted in nine sold and \$250.00 paid to treasurer.

Twelve monuments were straightened and repaired by Mr. Kaufhold, of the Peterborough Marble and Granite Works.

The Memorial Day geraniums were distributed by the Boy Scouts and also the flags. The same geraniums were later gathered and planted in beds around the monument and trees on the west slope.

Fall cleaning of leaves, etc., was not accomplished because of early snow and help availability. This will have to be done out of 1969 appropriation.

Perpetual care account available:

1968 balance carried	\$517 48	
1968 available	963 18	
Total	-----	\$1,480 67
1968 Expenditures		828 10

Balance unexpended		\$652 57

Balance is held in reserve according to law. The perpetual care funds cannot be spent on general upkeep of cemetery. Large portion of this balance would have been expended for tree damage from Fall ice storm, but again this was prevented by shortage of help. Chase Tree Service is reserved for spring of 1969.

A trust of \$23,225.81 is to be accepted at the Town Meeting this year, a bequest from the estate of Elva A. Moore. This substantial increase in the Town Trust Funds makes it appropriate to note the growth experienced by your Town Trust Funds over recent years.

Since forming a single investment fund in which all of the various trusts participate, the net asset value per unit has increased a robust 98.4% and the income has soared 174%.

REPORT OF PLANNING BOARD

At its meetings throughout the year the Planning Board discussion has chiefly been concerned with all the possible developments for the future of Dublin. Mr. Roy F. Cowell, City Planner for Manchester, N. H. was our guest at one meeting, as well as a representative of the Dublin Foundation. Mr. Cowell, who is working with the Dublin Foundation, made it clear that Dublin will grow and change and that it should be a planned growth in the best interest of its citizens. He pointed out the present problems in the center of the town involving automobile traffic, pedestrian traffic and parking.

It was agreed that the Dublin Foundation be requested to consider posting some of the sketches so that the Town would be aware of the general concepts being discussed.

Mr. Krogman requested legal opinion regarding the Subdivision Regulations authorized at the Town Meeting on March 14, 1967. He was advised that an amendment be made regarding the definition of "street." This was duly approved by the Board. A notice regarding this amendment was posted and registration was made at the Cheshire County Registry of Deeds and legal notices inserted in the Peterborough Transcript and Keene Evening Sentinel.

Mr. Judson Hale was appointed to fill out the two year remainder of Mr. Bemis' term. Mrs. Weis was elected for six years.

Respectfully submitted,

Nancy M. Lehmann

AUDITOR'S REPORT

SMITH, BATCHELDER, SMITH, RUGG & DARLING
Certified Public Accountants
41 School Street, Box 441
Keene, New Hampshire 03431

January 29, 1969

Board of Selectmen
Dublin
New Hampshire

Gentlemen:

We have examined the balance sheet of the Town of Dublin, New Hampshire as of December 31, 1968 and the related statements of revenues and appropriations and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

SCOPE OF THE EXAMINATION

Explanatory comments on the major balance sheet items follow:

Cash on hand in bank — treasurer — \$63,420.62. Cash in bank was reconciled with the treasurer's books and the balance per bank statement was confirmed by corresponding directly with the depository.

Taxes receivable — \$20,144.80. The uncollected taxes agreed with the collector's detailed listing. Approximately 98% of the outstanding property taxes were verified by corresponding directly with the taxpayers.

Capital reserve fund — \$10,236.58. Interest received amounted to \$491.63. This fund is in the custody of the Trustees of Trust Funds.

Due to school department — \$73,867.27. The balance due to the school department was computed as follows:

Owed to school department—

December 31, 1967	\$78 006 35
Appropriated 1968	142,782 68

\$220,789 03

Paid to school district treasurer—1968	146,921 76
--	------------

Due to school department—

December 31, 1968	\$73,867 27
-------------------	-------------

The loan from the Indian Head National Bank in connection with the construction of the fire station and the purchase of equipment was reduced from \$39,280.00 to \$35,350.00 during the year. The loan is payable at the rate of \$3,930.00 per year plus interest at 3% per annum.

Excess of liabilities over assets — \$26,112.38. This balance represents the net liability of the general fund as reflected by the books and as ascertained from other sources.

REVENUES AND APPROPRIATIONS

The receipts as shown by the records were verified from the remitter insofar as practicable. The total receipts and disbursements as reflected in the Selectmen's books agreed with those recorded in the Treasurer's books. An inspection of vouchers and cancelled checks indicated that the disbursements were supported by invoices or other documents and were being properly recorded.

TRUST FUNDS

The balance of cash on deposit in the checking account and in the various savings accounts was confirmed to us directly by the depositories. Securities on hand were inspected or accounted for by us. We verified the dividends and interest received during the year.

The income received during the year on common fund investments was distributed to the various funds included in the common fund on a proportionate basis. Disbursements were made to various beneficiaries of the Trusts. The Town was paid \$828.10 as a reimbursement for wages paid on cemetery work in 1968.

DUBLIN PUBLIC LIBRARY FUND

We inspected securities on hand and confirmed the balance in the various savings accounts by direct correspondence with the banks.

INSURANCE COVERAGE AND SURETY BONDS

Policies inspected by us indicated coverage as follows:

Fire:	
Dublin Town Hall	\$15,000
Contents	4,000
Dublin Public Library	22,000
Contents	10,000
Fire Station	24,000

Liability—vehicles:	
Bodily injury	100/300,000

Fred C. Brening, Trustee of Trust Funds, term beginning March 3, 1966	12,000
Philip F. McLellan, Trustee of Trust Funds, term beginning March 14, 1967	12,000
Jean B. Wenigman, Trustee of Trust Funds, term beginning March 12, 1968	12,000

In our opinion, the balance sheet of the Town of Dublin, New Hampshire and the related statements of revenues and appropriations and expenditures present fairly the financial position of the Town as of December 31, 1968 and the results of its operations for the year then ended.

Very truly yours,

Smith, Batchelder, Smith, Ruggs & Darling

LIBRARIAN'S REPORT

The late Henry N. Gowing, a trustee for fifty-four years has left two bequests to the library. One trust fund for \$2,000.00 the interest to be spent for general expenses. The other fund for \$1,000.00 to the "Henry N. Gowing Recognition Fund," the interest to be spent for books. This fund was established in 1959 when the community honored Mr. Gowing by presenting the library with a movie projector, screen, folding chairs and other donations. These bequests left by Mr. Gowing give added dimensions to his devotion, dedication, and generosity to the library.

The town voted \$10,485.00 to help defray costs for renovating the library basement, repairs and furniture. With the exception of repairs, federal aid is paying 40% of the total costs.

Plans were submitted to the trustees by the architect, Mr. James, after he and the librarian had discussed the requirements for improving library facilities. These plans met with the approval of Mr. Emil W. Allen, State Librarian and consultant for federal aid, and the trustees. Bids which were sent out proved to be far in excess of estimates, and after further consultation with Mr. Allen, more federal aid was requested, and all trust fund interest money accumulated to be used.

To date the basement area is finished with the exception of laying the carpet. Renovations include a large divided area with book shelves on the south wall. In a part of the boiler room an area with sink and cupboards has been added. Another feature is a small pantry with hot plate and sink. Work yet to be finished on the main floor is placing a multi-unit charging desk on order, new furniture consisting of a desk and chair, filing cabinet, folding chairs, coat rack, and carpeting for the reading room.

The new area downstairs gives a feeling of space with colors which are cheerful and friendly. The entire library is flexible and acceptable for many uses. It will meet the changing needs of the community for some years to come.

Your library trustees have spent many hours in meetings. Problems facing them have been mostly financial — how to do the job with money available. Since the library was built and presented to the town as a gift by Mrs. Horace P. Farnham in 1900, no major repairs or any renovations have been made in 68 years. The slate and copper roofs have given the trustees endless head-

aches, when one repair is made, another shows up! Improvements need to be made by painting the walls on the main floor, and adequate lighting in the stack room. The trustees have written a library statement policy on file at the N. H. State Library. Their concern for the taxpayer and to fulfill their duties as trustees in preservation of the library facilities is no easy task.

Your librarian has reevaluated the collection and extensive weeding has been done plus rearrangement of books when the cleaning took place. Mrs. Cynthia Postal, consultant in our district for the N. H. State Library, has given of her time and advice in this arduous task.

Your librarian attended a weekly class at Keene State College in Programs and Services for Children last spring. She attended two reference workshop meetings, winning for her library an atlas and Granger's Index to Poetry. She attended six book display meetings, a mending workshop, as well as the two day N. H. Library Association meeting held in Concord. As a delegate to the District Library Development Program she attended all quarterly meetings and serves as a representative on the Review Committee.

We thank the following people for books and maga-

zines: Dr. Stewart, Mrs. Curtis, Mrs. Ward, Mr. Sewall, Mr. Wenigman, Mrs. Tuttle, Mr. Rathbun, Mrs. Sagen-dorph, Yankee, Inc., and Columbia Broadcasting Co., for fifty records. One gift of special significance is Andrew Wyeth, the text by Richard Meryman. This beautiful book, a work of art in itself and which will surely become a collector's item in years to come, was given by the Meryman family in memory of the elder Richard Meryman, artist.

It has been an eventful year and all the dust, dirt and confusion will soon be forgotten in the dividends the community will received by the many library improvements. The trustees and I are anxious that it be finished so that we may have "Open House."

Dorothy Worcester

REPORT OF 1968 DUBLIN CIVIL DEFENSE

This year completed the Community Fall-out Shelter Program and the Home Fall-out Shelter Protection Survey of Dublin. The results of the Dublin Home Fall-out Protection Survey furnished by the Bureau of Census are as listed below:

Protection Factor (Best Corner)	Number of Dwellings	Number of Occupants
10 - 20	0	0
20 - 39	124	328
40 plus	7	13

A protection factor of 40 and higher is recommended.

From these results, a new Community Shelter Plan for all Cheshire County has been started. I will be working closely with Mr. A. Harriman, State C.D. on this matter. We are concerned now with "Population Data" and where sections of Dublin population may go for added fall-out protection.

We are still working with the State C.D. and one of our private schools in town to obtain a Fall-out Shelter license. It looks very favorable at this time.

Last summer all radiological monitoring equipment in Dublin was replaced with new more modern equipment. New batteries also helped.

We are now working on a more up-to-date communication network for Dublin. We hope to install a 6 meter antenna on the Dublin Fire Station very soon. This would be an added link with the Fire Department Radio equipment if and when a disaster arises. A good place to have it.

We have established an excellent rapport with the Peterborough, N. H. Civil Defense under the very able Director, Mr. Carl Wood. We have started a form of C.D. Mutual Aid Program with Peterborough, Dublin, Sharon and Hancock. I hope to go further with this type of program to benefit all concerned.

I hope I can continue to serve you. Please call me if you need my assistance.

Richard Hammond

Director, Dublin C.D.

REPORT OF THE DUBLIN COMMUNITY FOUNDATION

The Dublin Community Foundation was founded in June 1966 to receive funds to help the youth of Dublin, to hold land or buildings for the public use of the citizens of Dublin, or to make gifts to other organizations which help the citizens of Dublin.

The Board of Directors of the Foundation includes the President of the Dublin Women's Community Club, the Chairman of the Selectmen, and the Chairman of the School Board. It also includes three elected members who are also the officers: C. Mitchell Wenigmann (President), Edward Whitney (Vice President), and C. R. Trowbridge (Secretary-Treasurer).

As of now, the Foundation has received approximately \$16,500 in gifts and has expended approximately \$1,550 as follows:

\$250 to assist Charles Tielinen with the construction of a changing house for a public skating area on Mud Pond and for expense of land removal.

\$500 to help the Women's Club build a new swimming dock for swimming instruction.

\$500 for Roy Cowell, a Town Planner, to draw a plan for the center of Dublin with special reference to the best location of the new Post Office.

\$300 to the Citizens' Scholarship Foundation (Dollars for Scholars) which went to Dublin students who had been selected for scholarship aid.

The plans for 1969 include the planting of trees and shrubs in the center between Yankee and the new Post Office and around the Post Office. The sum of \$2,500 has been given for this special purpose.

The Foundation is open to suggestion as to projects which are worthwhile. The basic idea is to limit the Foundation's activities to those kinds of expenditures which the Town or other organizations could not be expected to make.

Respectfully submitted,

C. R. Trowbridge
Secretary-Treasurer

REPORT OF THE DISTRICT CLERK

The meeting was called to order at 7:30 p.m. by the Moderator.

1. The salaries of the School Board were fixed at one dollar each; clerk, one dollar.

2. Article two was passed over.

3. Two auditors were chosen: Isabel Clukay and Ruth Hammond.

4. It was voted to authorize the School Board to convey to the Contoocook Valley School District by Quitclaim Deed, the present Dublin Consolidated School together with the contents thereof, and all the land owned by the District.

5. Voted to direct the Treasurer to pay over to the Treasurer of the Contoocook Valley School District any cash balance in his hands or money due the District as of July 1, 1968, less any outstanding bills or debt; any sum so transferred to be used as a credit against the Contoocook Valley School District assessment to be raised by the pre-existing Dublin District to defray its share of the cost of operation of the Contoocook Valley School District, during the first year of operation.

6. No action taken as the terms of the Ruth Sterling award are clearly stated in the original bequest which is in the Superintendent's Office in Peterborough.

There being no further business, the meeting was adjourned.

Respectfully submitted, Jean B. Wenigmann, Clerk
